

To the Committee Chair:

The scout shop needs to have a current authorization card on hand for each pack and troop. Please complete the form below and return to the scout shop by January 31st, 2024. As of January 31, 2024, if we do not have a current card on your unit, we will default the signature to the committee chair only, and unfortunately no one else will be able to use the account.

Your authorization card must have the current date, unit number, the printed names of anyone that can sign for the unit, call an order in for the unit, or email an order for the unit and charge against the account. All current forms must be signed by the committee chair.

Authorizations are valid for one year for Packs and two years for Troops.

If you have any questions, please contact Manuela McDonald at 402-488-6039 or email at cornhusker.tradingpost@scouting.org.

Thank you,

Manuela McDonald
Trading Post Manager
