Campership Application Process & Worksheet

The Campership application process is something Unit Leadership (Committee Chairs, Camping Coordinators, Cubmasters, Scoutmasters, Crew Advisers, ETC.) should be helping families with. Using this worksheet for EACH applicant before Unit Leadership enters the info into the Cornhusker Council website is crucial.

To be eligible, the following guidelines must be met by the youth applicant:

- Registered within the Cornhusker Council **and** in good standing for at least **30 days** prior to completing an application.
- Youth attending a Cornhusker Council operated Summer Camp (Day Camp, Cub Scout Resident Camp, Webelos Resident Camp, or Boy Scout Resident Camp)
- Youth attending an Official Council, District, Area or National Training Conference. I.E. NYLT (National Youth Leader Training)
- Recommended by his/her Unit Leader (Committee Chair, Cubmaster, Scoutmaster, or Advisor) **and** Parent/Guardian. When a Unit Leader enters the information into the Cornhusker Council website it is their responsibility to ensure all parties agree with the information provided.

In keeping with the philosophy of “pay your own way”, each youth should pay a portion of the fee. Camperships are awarded based primarily on need. The more information the campership committee has about the Scout's particular need, the better. The Cornhusker Council also reserves the right to consider the unit's participation in Council administered product sales as demonstrating a concerted effort to raise these funds. The family and unit should also contribute to the cost of the camp experience. Camperships awarded will not exceed 50% of the event fee.

Applying for campership aid must be done online via the Cornhusker Council Website by **March 15th** to allow time for review, allocation, and notification. If approved, the campership amount will be sent to the camp or to the National Conference when registration of the individual is confirmed. Fees will be credited as camp payment in the Scout's name within the Cornhusker Council Summer Camp Reservations portion of its website. The campership is to a specific individual and is not transferable to other youth.

1. Apply online separately for each Scout needing assistance. All information requested on this WORKSHEET is needed when applying online.
2. Assistance will be considered based on need and the youth's unit's support of the mission of the Cornhusker Council including participation in the Friends of Scouting Campaign and Popcorn Sale.
3. **All requests must be submitted online by March 15th.** All campership applications submitted on time will be considered based on the financial need of the Scout in relation to the other applications received and available funds. Any campership applications received after March 15 will only be considered if there are funds remaining.
4. Your request will be reviewed by committee within the Field Service Council the applicant is registered in. Campership awards and information is confidential and will not be shared outside of the campership committee
5. After review notification will be done by the Field Service Council to the Campership Recipient's family and Unit Leadership including the assistance decision.
6. Assistance funds will be credited to each Scout when they attend the event they applied for. Funds are only usable by the individual whom the assistance was granted.
7. Completeness of the information when applying online will help determine campership allocations.
8. Scouts are only eligible to receive one form of financial assistance.

Thrifty: A Scout works to pay his own way and help others. He saves for the future. He protects and conserves natural resources. He carefully uses time and property.
