Service Opportunity

WICS Home for Girls is a group home for girls ages 12-18 who have been placed out of the home by DHHS or Probation.

It has been in the Lincoln community since 1970. WICS is going through a leadership change and would love to build up community connections and find volunteers to make our historic home a positive place for clients and the Near South Neighborhood.

Some things that we would love help with:

- Yard clean up
- Leaf removal
- Window cleaning
- Garage cleaning/organizing
- Snow removal
- Fixing furniture/furniture refurbishing (painting, sanding, etc.)

Pack Responsibilities

- First thing is to develop a working relationship with the leadership of a Scouts BSA troop or troops in the community. Your unit commissioner can help put you in contact with troop leaders.
- Ensure that Arrow of Light Scouts visit a Scouts BSA Troop as early as possible, this is a requirement for the required Bobcat Adventure. The more units the scouts visit, the more opportunity they have to find the best fit for them.
- Work with troop leaders to secure den chiefs, with a focus on Arrow of Light dens.
- Work with troop leaders to get assistance with delivering Arrow of Light required and elective Adventures.
- Invite the Scoutmaster and troop youth leaders to special pack activities. This will help create familiarity and a level of comfort for the Arrow of Light Scouts and their parents as they ease into the troop.
- Plan a meaningful crossover ceremony. Include troop leadership to be present to accept the Arrow of Light Scouts as they graduate.
- If a troop does not exist in your community, discuss with the head of the pack's chartered organization about the possibility of organizing a troop. An Arrow of Light den can form the nucleus of a new troop.

1. When do you get a local Scouts BSA troop involved in the planning process for transition?

2. How is your relationship with a local Scouts BSA troop or troops that your Scouts could join?

3. Did you learn something new in this roundtable? If so, what was it and what did others learn?
